Yet, this is where you grew up.
What?
Your home!
That's right, Tripeace isn't...

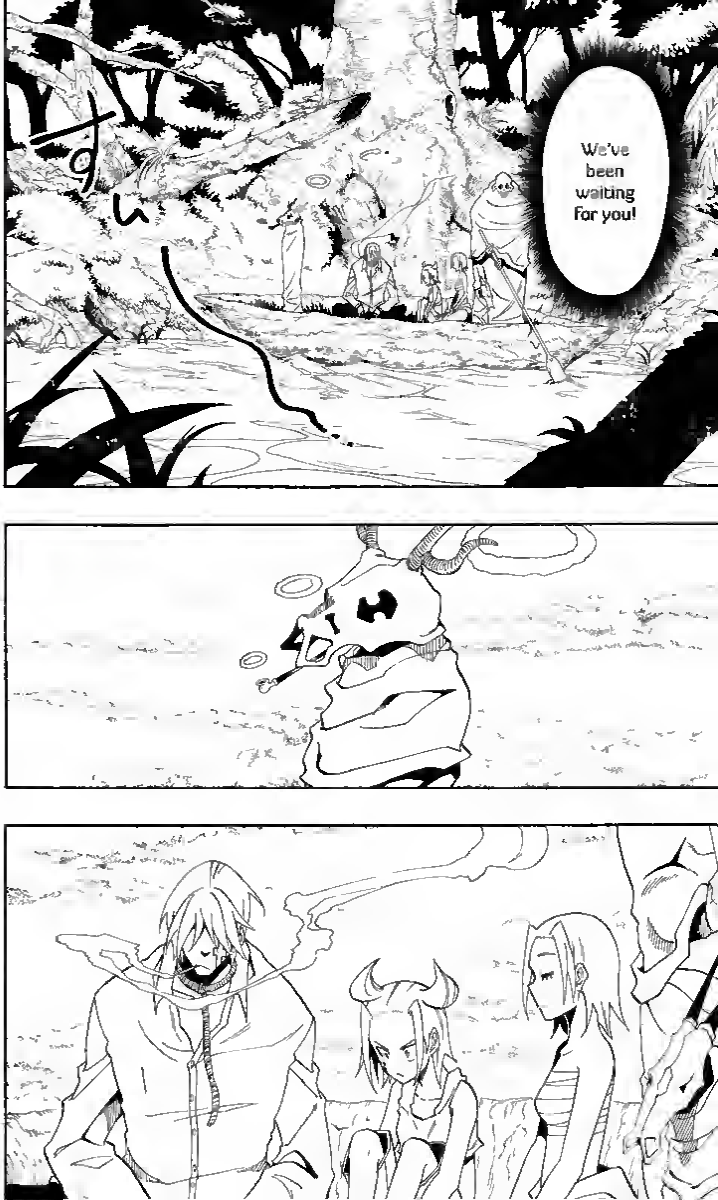
In any case...
Glad to have you back!



We've been waiting for you!

We're almost there.
How much further is it?

Do you intend to respond the same way every time?

Here we are!
Went to inform Belial and the others!

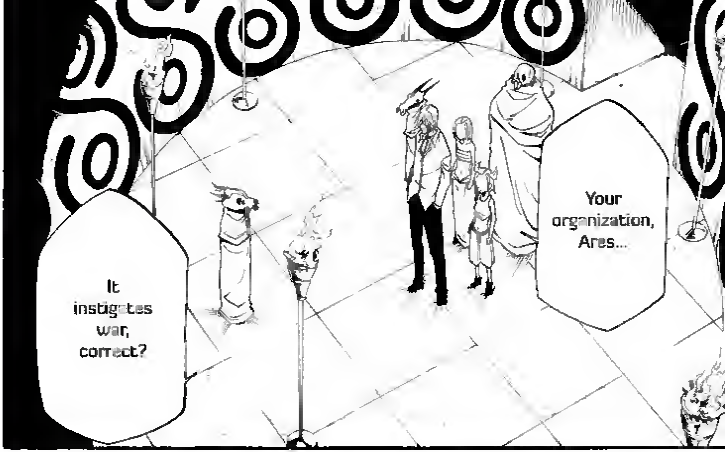
Can't you guess?
It's our house of course!
Their house?
Do you live in there?
It's very comfortable, you'll see...
By the way, watch out your step!



Your organization, Ares...
It instigates war, correct?

For what purpose?

Absolutely none.
We just like to create conflicts!

I'm perfectly serious!

Stop joking around, and answer my question!

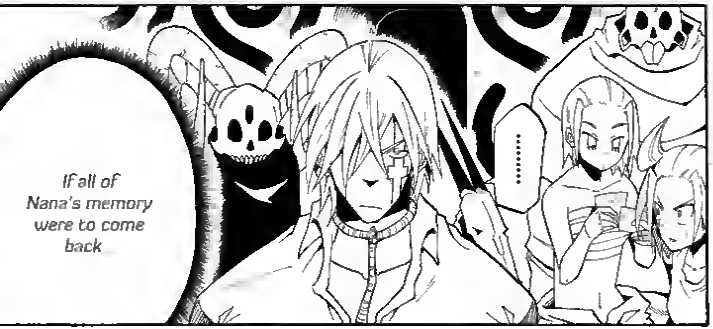
Right now, he's of no use to us!
I see...



If all of Nana's memory were to come back...

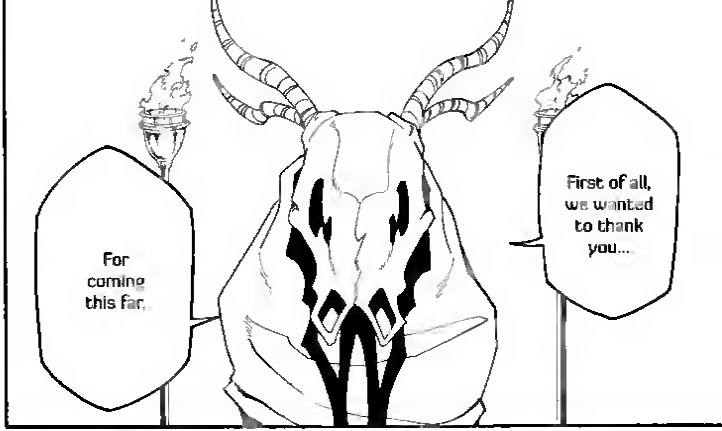
I don't believe it!
It's not possible!
He could become our enemy...

Well...
I agree with you!
HE CAN'T BE ONE OF YOU! HE'S NOTHING LIKE YOU!
NO... NOT HIM!
He looks like a completely different person.
He's nothing like the man we used to know.
Ehm ...
Excuse me!
I should get to the point.
Calm down!

I get carried away sometimes ...
I even forgot to mention the most important part...
Your reason for being here.



First of all, we wanted to thank you...

Being able to deal with them as equals...
Is a considerable step forward for our country!
Go ahead, we're listening!

Hmm...
Our fellow citizens will have to tighten their belts!
We will need to lower the price of exported technology
That being said, for the Maji empire to agree to this alliance...

It is the duty of the people to shoulder these burdens...

WAR IS ETERNAL

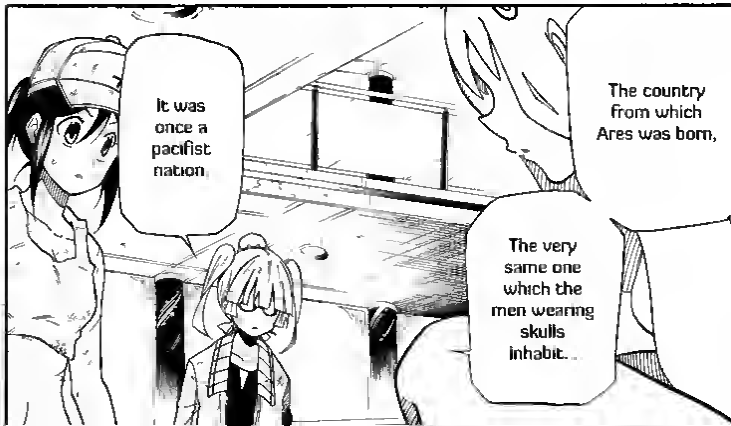
CHAPTER 39: THE WAR BEGINS

A PACIFIST NATION?!

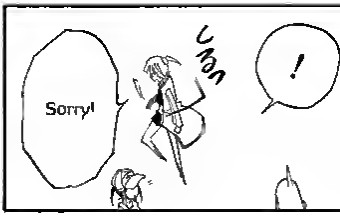
.....
Yes



It was once a pacifist nation
The country from which Ares was born,
The very same one which the men wearing skulls inhabit...

There, any acts of violence, as well as those belligerent in nature were strictly forbidden.
Weapons were prohibited as well.
The inhabitants managed to build a country where violence didn't exist!
Well, I say "country," but...
It doesn't even appear on maps!
Hmm... Forbidding all weapons is fine...
That is, until you come under attack

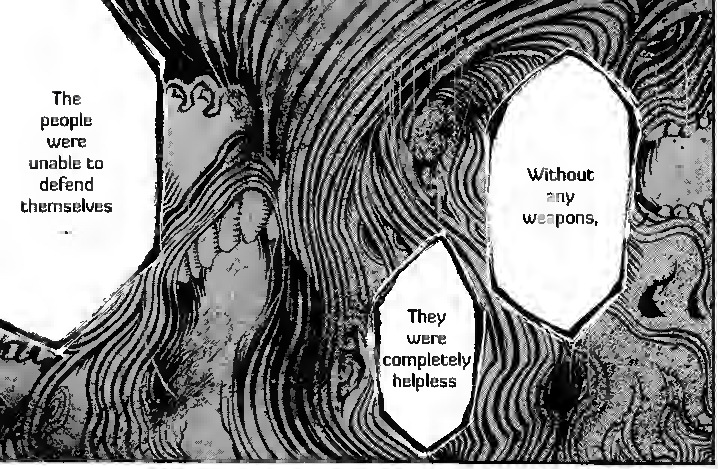
You don't have to say any more
I get it...



Sorry!
Uhm
!

They were attacked
Ehh
.....

Was invaded..
And devas-tated!
This pacifist nation..



The people were unable to defend themselves
Without any weapons,
They were completely helpless

Unsuccessfully, of course
He probably tried to help them
Kuro must have been there
When it happened

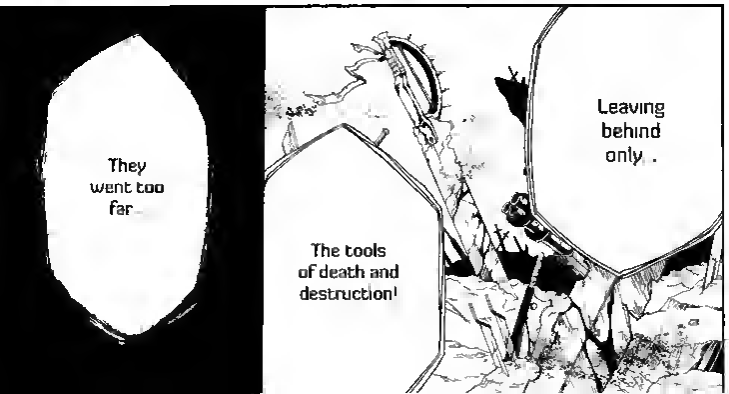
Having to fight against old pacifists!
It's a pity

We all lived...
In peace!

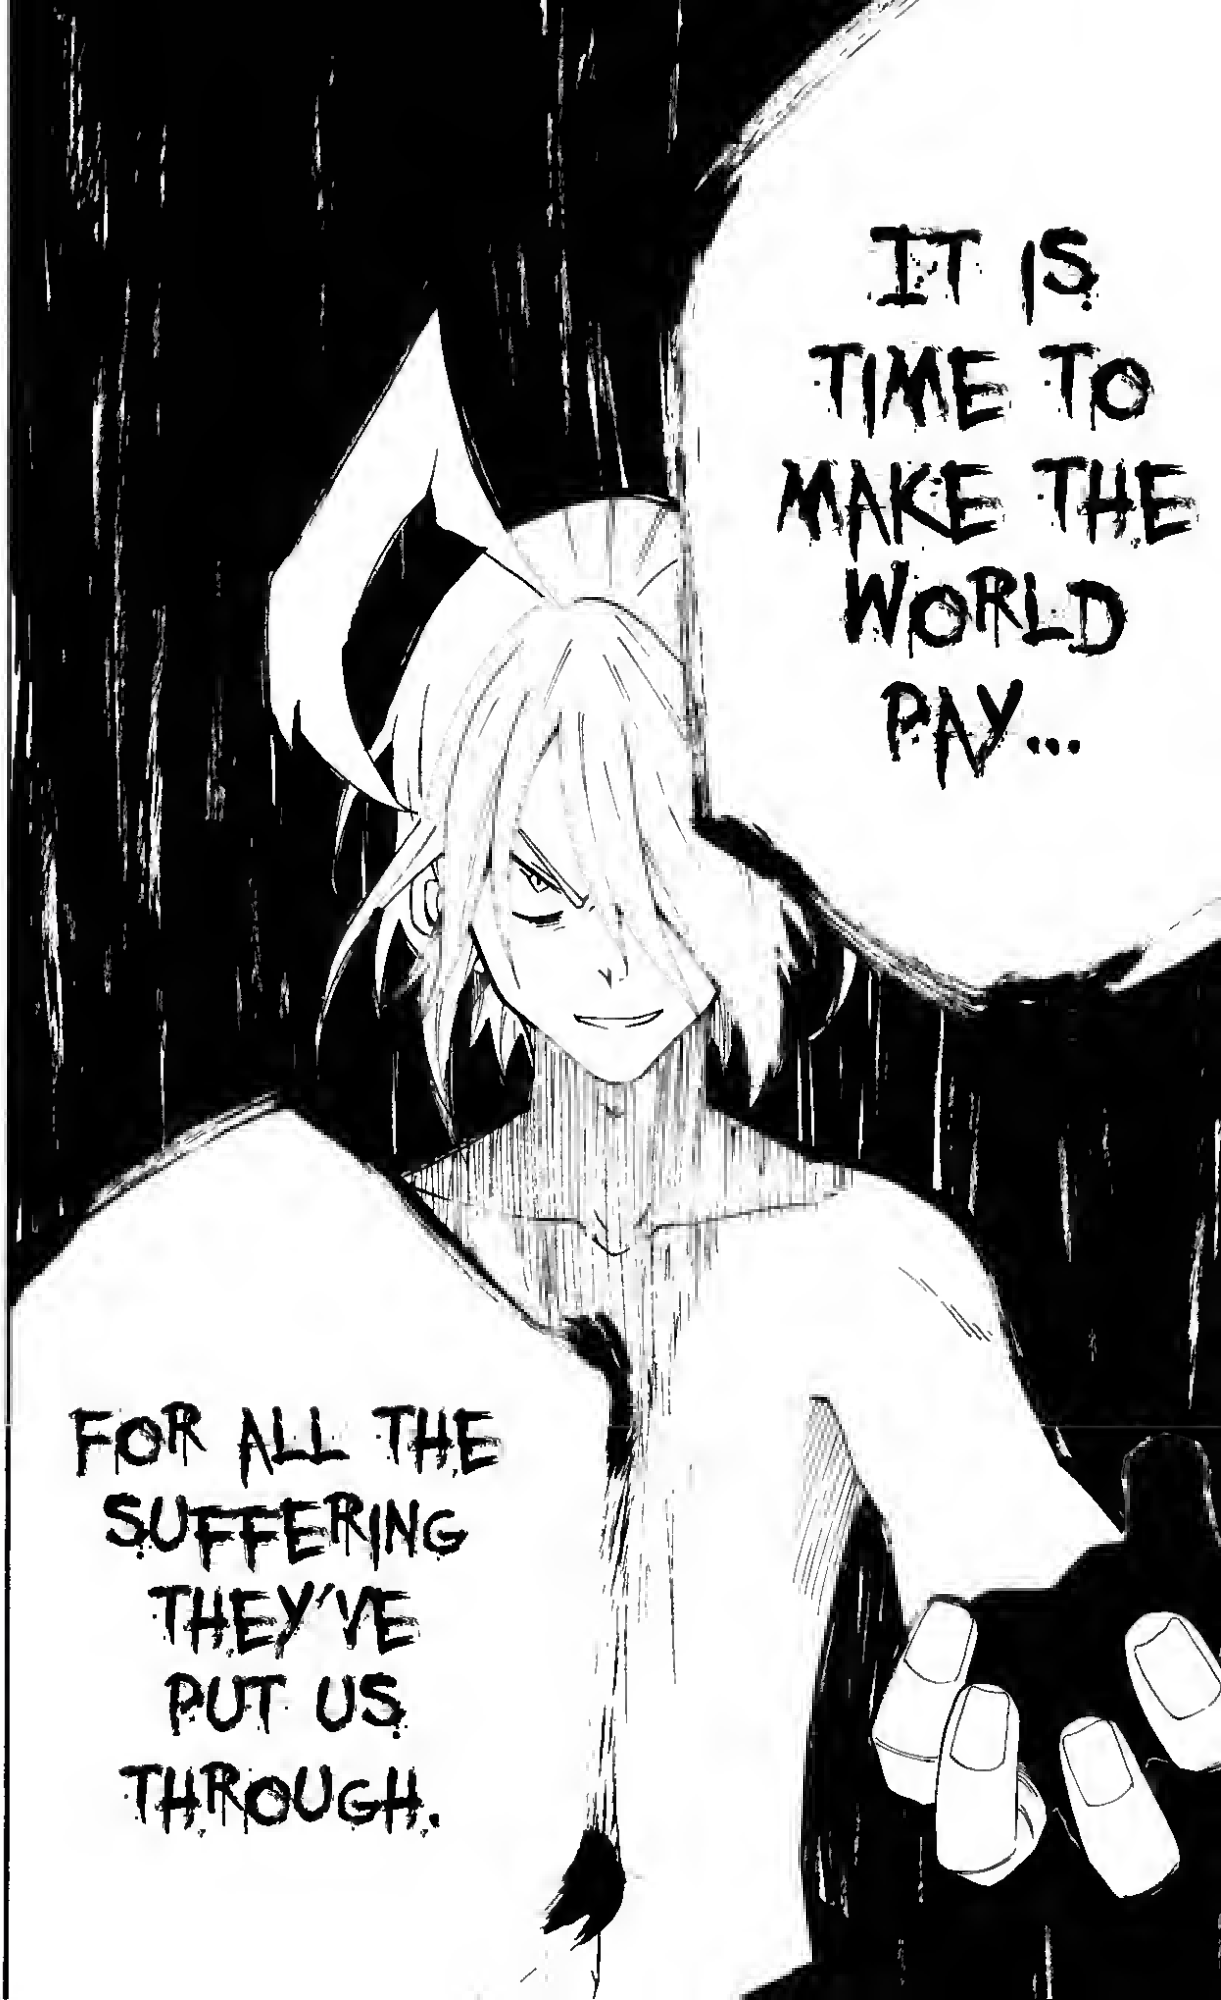
And yet...
We were living proof that mankind could thrive in peace!
We gave up the use of weapons, and forbade all conflicts.

The other countries didn't hesitate to betray that ideal!

Ravaged our resources...
They exterminated our people...



They went too far...
The tools of death and destruction!
Leaving behind only...



IT IS TIME TO MAKE THE WORLD PAY...
FOR ALL THE SUFFERING THEY'VE PUT US THROUGH.

We'll definitely be having a lot of fun
He he he...
Glad to see that your enthusiasm came back with your memory...

So...

They only escorted us back...
But they could have kept us as hostages!
What should we do?
What about Nana?
We've got a big problem...
Hmm...
Actually, it'd be better if no one heard about this
Reach
It would only complicate things
Above all, not a word to Shiro!

And he belongs to a powerful organization!

They're going to ruin everything!

It's blatantly obvious!
What would they achieve ...?
But why would they want to stop a peace agreement?

THEIR ONE AND ONLY GOAL...
IS TO SPREAD HATRED EVERYWHERE THEY GO!

Behind the pretense of peace and harmony...

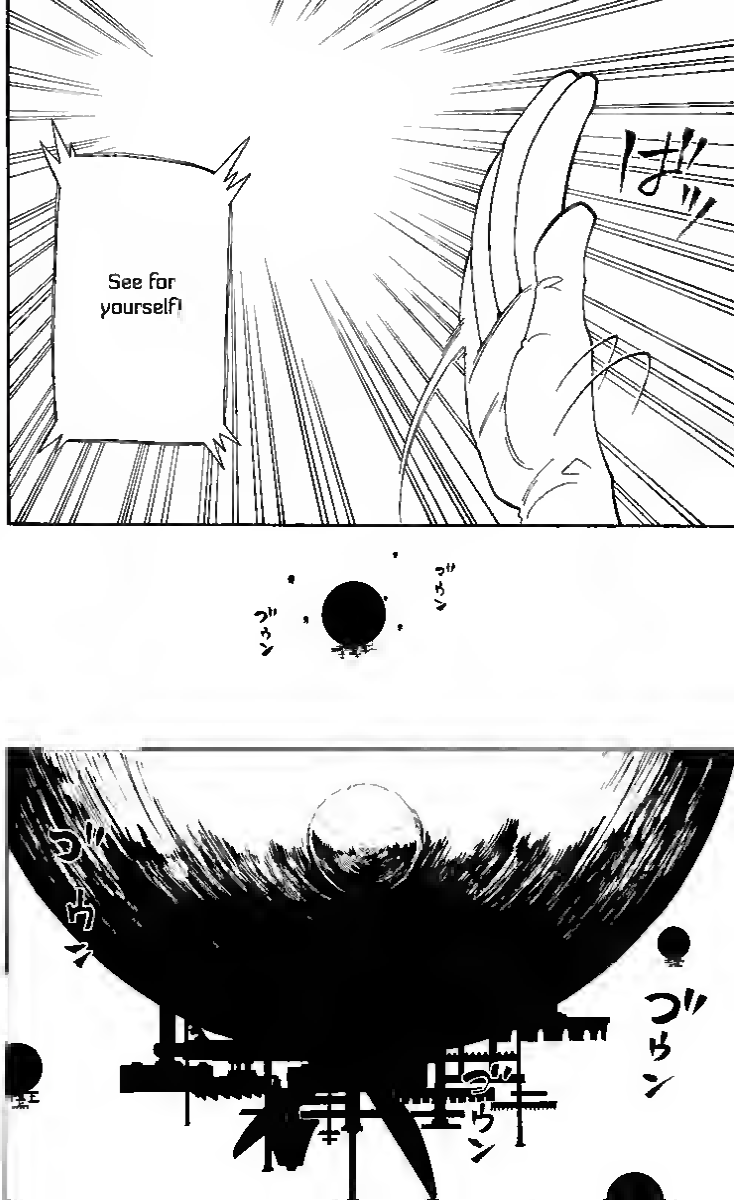
Against Xyece.

Your actions are probably going to put an end...
To the peace that both empires desire.
Smirk
And I must admit...
It pleases me!

LET'S GO!

Ladies and gentle-men...
The long anticipated moment is almost here!
In a few minutes ...
The Emperor of Maji will honor us with his presence!



See for yourself!

BLAZING LIGHTNING

Here comes the Blazing Lightning.
The jewel of our empire's technology!
It's not nice to mock them, your grace!
What a ridiculous name .
The Blazing Lightning?
And guess what? Inside this airship...
KINGDOM OF KINGS-PAKOH
VIP
The Emperor of Maji himself?
Stands...

だだだだ

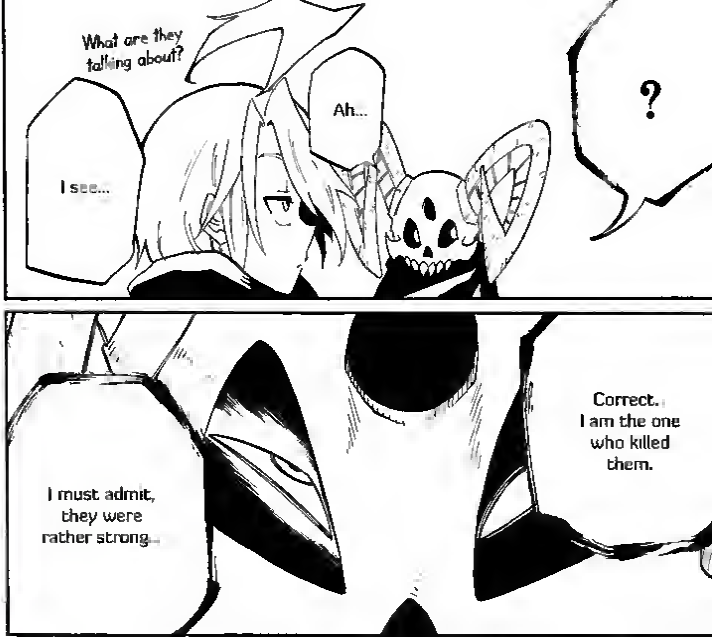
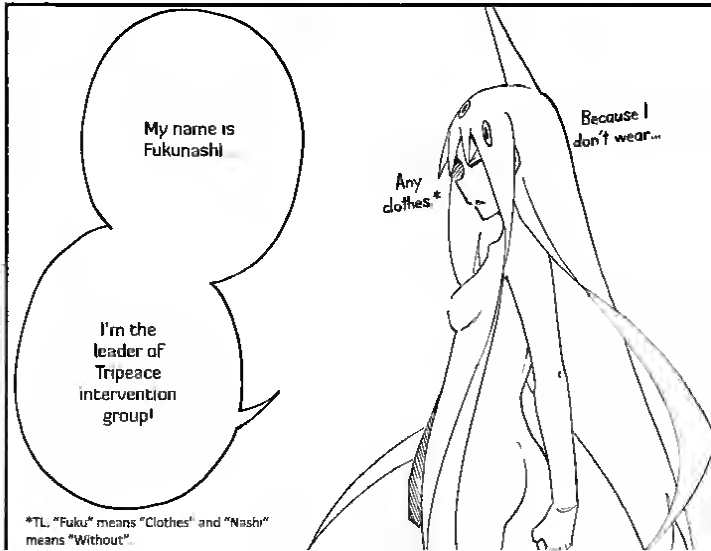
Here you are, at last...
Tripeace!

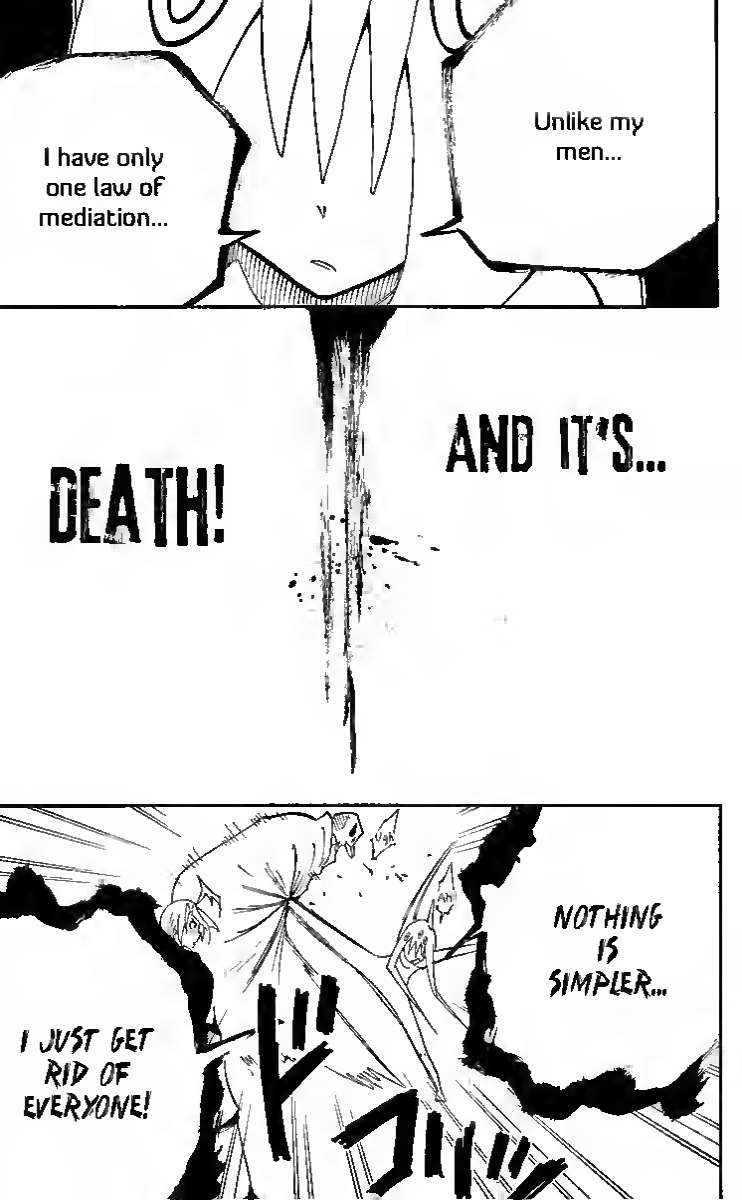
I cannot begin to understand your intentions,
But there's one thing I am sure of.
We're going to stop you!
Keep talking...
Greenhorn!

We have some scores to settle.
I believe...
Really?
What have we done?
Jack Free.. does it ring a bell?
Don't kid around...





*TL. "Fuku" means "Clothes" and "Nashi" means "Without".

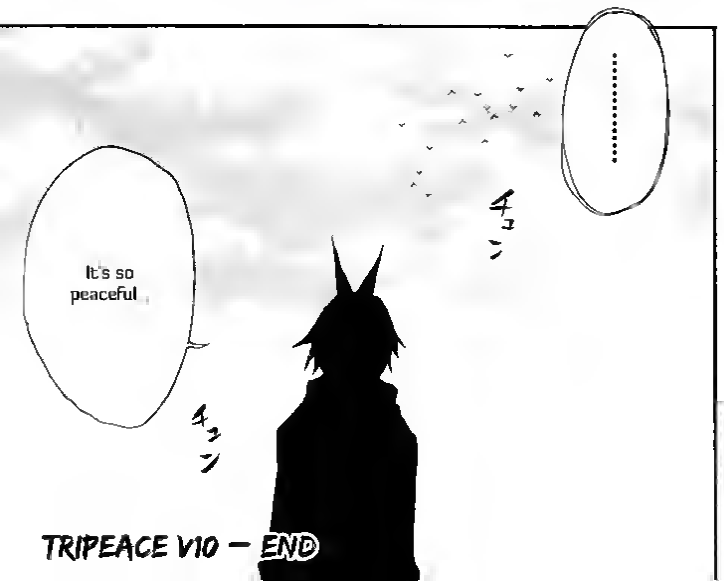


I have only one law of mediation...
Unlike my men...
DEATH!
AND IT'S...
I JUST GET RID OF EVERYONE!
NOTHING IS SIMPLER...

This looks promising!
She's completely nuts...
HEHEHE
Nana...
.....
Kill them all!
Do you realize
I don't have time to waste with you
Yes sir!
What you're saying?!

WHAT'S HAPPENED TO YOU?!

DAMN IT!

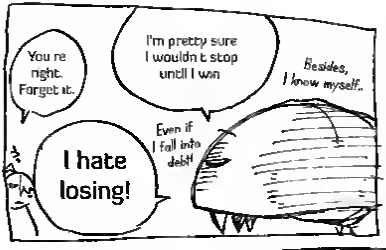


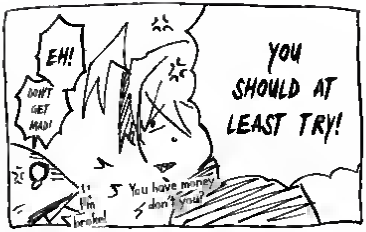
TRIPEACE V10 — END

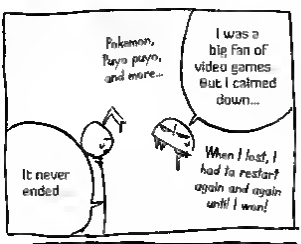
I've always preferred starring bad guys!
A villain since the beginning
Dark Nana
Good guys don't exist!

MANGA BONUS

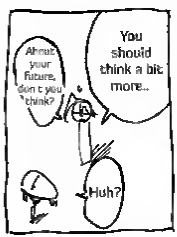
Hello!
Dark Nana
Cool!
Great, the bonus finally!
Wow. You're so scary...
It's the thug life for me!
Hehehe
I've been spending a lot of time in arcades!
It's always been a dream!
It's been a while!
Why didn't you bring the main character Nana?
We don't share the same interests
He's too serious!
Today I'm going to talk about bad boys. This is why I brought you here!
Until I win!
I do them all!
After that,
I switch to the slot machines!
Really... And after that?
I empty all the machines until I fill two large bags!
Bags
My game is the grab machine... I always win!
Well... How should I say it? It's too expensive!
What?!
In that case you should play Pachinko or bet on horses to get money
No way
Hum...
Why?
It's the best!
To get money...
Ah...
Well. That's all...
I see...

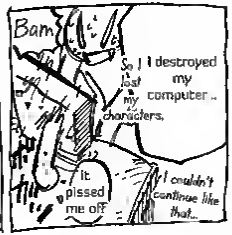


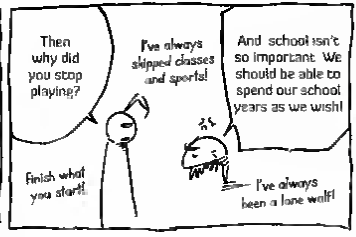




Pokemon, Puyo puyo, and more...
I was a big fan of video games but I calmed down...
It never ended...
When I lost, I had to restart again and again until I won!

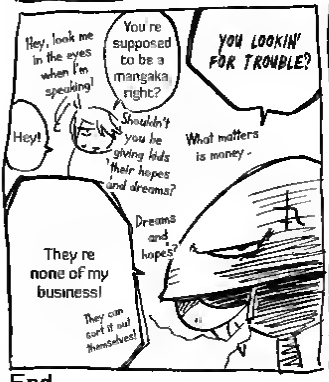






Then why did you stop playing?
I've always skipped classes and sports!
And school isn't so important. We should be able to spend our school years as we wish!
Finish what you start!
I've always been a lone wolf!

TS Note: No, you should not



Hey, look me in the eyes when I'm speaking!
You're supposed to be a mangaka, right?
YOU LOOKIN' FOR TROUBLE?
Hey!
Shouldn't you be giving kids their hopes and dreams?
What matters is money -
Dreams and hopes?
They're none of my business!
They can sort it out themselves!

End.

** Actually, if you break your computer your online character is not lost...

POSTFACE

It's hot... While I'm writing these lines, it's so hot!

On top of that, I'm itchy! There's been an infestation of fleas at my place, and those damn bugs have teamed up with the mosquitoes to assault me... I'm covered with spots: it's horrible!

Be careful, and watch out for fleas... Those things are awful! My whole body is itchy!

See you soon!
